INTERNATIONAL BILL **OF LADING ASSURED**

Steamship Owners Told Hague Rules Will Be Agreed Upon in October.

Members of the American Steamship
Owners Association at the regular quarterly meeting held yesterday at 11
Broadway, were told that international adoption of the proposed Hague rules for a uniform bill of lading was virtually assured. A letter from Charles S. Haight, chairman of the bill of lading committee of the International Chamber of Commerce, who has just returned from England, said that the expectation was that the draft of the Hague rules would be agreed upon at the International Shipping Conference in Lonion in October, and that the outlook was favorable for early action by the agritime governments.
